Native Advertising

Native advertising means extra publicity and prospective customers for your company

Konradin’s native advertising services transport your messages with a high degree of information content credibly and effectively to your target group.

In combination with your classical advertising, native advertising supports you sustainably in consolidating and strengthening your functional expertise within your relevant target group.

Your advantages:

- You offer your readers/users real benefits and added value.
- Your advertising and brand message is integrated within professionally researched and written articles on topic oriented websites.
- Profit from the excellent credibility and expertise of our media brands.
- Your native advertising cannot be removed by ad blockers.

### Theme
You determine the theme that you would like to transport to the market.

### Content
You supply the test, the specialist editors check and edit from case to case. To enhance the credibility and usability of the text, we recommend you refrain from making any promotional statements.

### Duration
Publication is for a period of four weeks, or as agreed. It can be started at any time. After the four weeks expire, the sponsored article will remain available in the archive.

### Image
A featured image (694 x 456 pixel) is mandatory, up to 3 other images are possible (images without watermarks or similar).

### Positioning
Integration as an article (Teaser) in the editorial section of the home page. A maximum of two sponsored articles are possible on the home page.

### Sponsored Article – services and prices (lead time at least 4 weeks)

Partner page – services and prices (lead time at least 8 weeks)

**Topic:** you determine the topic you would like to transport to the marker and the extent to which we may support you content-wise. Set thematic focuses.

**Positioning:** partner pages are listed in the navigation under Partner Contents. Teasers create additional traffic.

**Images:** we are happy to insert your visual concept alongside your company logo in the header. Other images will then follow within the text (images without watermarks and the like).

**Going live:** we first obtain your approval before a partner page goes online officially.

**BASIC**

**Contents:**
Are all supplied by yourself. Possible formats: articles, texts, PDF, videos, images etc.

**PREMIUM**

The prices depend on the contents to be created, banners, the positioning and integration within the Konradin website as well as the promotion and run time. Optional is the integration of the partner’s downloads (e.g. whitepaper, webcast ) after registration or the integration of a social media feed.

All these components can be individually modified on the PREMIUM partner page and are defined on request.
